

IMPORTANT INFORMATION FOR OPENING YOUR ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law requires financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, social security number and other information or documents that will allow us to identify you. This information will be subject to verification.

By signing and submitting this application, you give the Absolute Funds (the "Funds") and its agents permission to collect information about you from third parties, including information available in public and private databases such as consumer reports from credit reporting agencies, which will be used to help verify your identity.

If you do not provide the information, we may not be able to open your account. If we open your account but are unable to verify your identity, we reserve the right to take such other steps as we deem reasonable, including closing your account and redeeming your investment at the net asset value next calculated after the Funds decide to close your account. Please see the Funds' Statement of Additional Information for further information.
